ALBERTA

INTRODUCTION

The *Directory of Alberta Government Libraries and Resource Centres*, produced semi-annually by the Alberta Legislature Library's Support Services Section, serves to facilitate access to provincial government libraries throughout Alberta. Information for this revision was gathered in July 2000.

In 1999 the Legislature Library mounted an electronic version of the Directory on the Legislative Assembly of Alberta's web site. One may search for information on a particular library or contact person. It is also possible to view a list of all the libraries in the **Directory** under the search option: Symbols for Alberta Government Libraries. The web address for the **Directory** is: http://www.assembly.ab.ca/lao/library/director/index.htm

Changes to the Directory:
In this issue we are pleased to include four new entries: - namely for the Library of the Office of the Ethics Commissioner, the Library of the Office of the Information and Privacy Commissioner; the Alberta Corporate Services Centre (ACSC) Alberta Government Library; and the Court of Appeal/Queen's Justice Bench service (Provincial Court Library). Two entries included in previous issue are no longer listed in the Directory: - the Agriculture Branch Library (Airdrie) and the Air Photo Collection (Edmonton).

The next update is planned for January 2001. Additions and changes will be included in the *Alberta Government Libraries' Newsletter*, generally issued the first week of every month and will be posted to the Internet site as soon as possible. Please notify Support Services Section, Legislature Library, of related changes, telephone (780) 427-3837 or fax (780) 427-5688, or e-mail address: library@assembly.ab.ca
